CHARLTON HERITAGE PRESERVATION TRUST ANNUAL MEETING

Charlton Public Library, April 29, 2026

Dateline: Charlton, Massachusetts, April 7, 2026 — The Charlton Heritage Preservation Trust has announced that it will hold its annual meeting on April 29, 2026, at the Charlton Public Library Community Room, located at 40 Main Street in Charlton. The starting time is 6:30 pm and is scheduled for an hour.

Every year, CHPT invites members of the trust to come together to elect a Board of Trustees. Trust officers will be elected from the board. The board sets the vision and goals for the upcoming year. The general public is invited to attend with an opportunity to become members.

CHPT is a 501(c)3 non-profit land trust that relies on the dedication of volunteers. The organization is committed to conserving open space in Charlton. It currently stewards 19 parcels covering over 200 acres. Recently, CHPT has collaborated with the Charlton Historical Society for talks about mill life at their Little River mill ruins site, sponsored a birding in Central Massachusetts talk by Mass Audubon and led a hike on the Midstate Trail through the storied cow tunnel.

Members of the current board of trustees will be representing CHPT on Saturday April 25th for Charlton's Earth Day Fest on the town commons from 11 am to 2 pm. Please stop by to learn more about the annual meeting and what CHPT is involved in.

CHPT offers an an opportunity to help protect open spaces and continue to bring programming that showcases Charlton's heritage and ecology. We welcome all who are interested. For further information, please visit our website at www.charltontrust.org or our Facebook page.
