CHARLTON HERITAGE PRESERVATION TRUST ANNUAL MEETING

Charlton City United Methodist Church, February 21, 2024

Dateline: Charlton, Massachusetts, January 10, 2024 — The Charlton Heritage Preservation Trust has announced that it will hold its annual meeting on February 21, 2024 at the Charlton City United Methodist Church located at 74 Stafford Street in Charlton. The scheduled starting time is 6:00 pm.

Every year, CHPT invites members of the trust to come together to elect a Board of Trustees. Trust officers will be elected from the board. The board sets the vision and goals for the upcoming year. The general public is invited to attend with an opportunity to become members.

CHPT is a 501(c)3 non-profit land trust committed to conserving open space in Charlton. It currently stewards 19 parcels covering over 200 acres. Recently, CHPT has collaborated with the Charlton Historical Society for talks about mill life at their Little River mill ruins site and sponsored a birding in Central Massachusetts talk by Mass Audubon at the Charlton Public Library.

This is an opportunity to help protect open spaces and continue to bring programming that showcases Charlton's heritage and ecology. We welcome all who are interested. For further information, please visit our website at www.charltontrust.org or our Facebook page.
